

ADVANTAGES
OF THE REDESIGNED
AQUA WIPING
RANGE

1. Improved ergonomic design of the grip
2. Improved position of anti-slip rubber on the grip
3. Can be used with universal Moerman click-on angle adaptor
4. Grip fits
 - on all existing Moerman handles, no change in handles
 - German, Italian and Acme threaded handles
5. Packaging
 - hang tool by eurolock or through the grip with readable headercard
 - simplified to smaller size of headercard to save shelf-space
 - refreshed design of headercard with new colors Moerman logo
6. No changes in product ID numbers or logistic/box information
