

LET ME INTRODUCE MYSELF: I AM TAKUMI

The new Moerman aluminum extension pole using the Carbonator sculpture and looks. The word Takumi in Japan refers to an artisan or master craftsmen. Takumi isn't just high-tech, it is affordable and built for window cleaners. Takumi leaves you in awe by combining its elegant, expressive design with high functionality. Please enjoy a product that has been given the privilege of carrying the name Takumi on each piece made.

However long or short your journey, if there is one certainty, Moerman Jack's will love to clean many windows using our newcomer Takumi.
